I understand that my records may contain protected health information regarding drug or alcohol abuse, mental illness, psychiatric treatment, and/or sexually transmitted diseases, including HIV (AIDS) information. I give my specific authorization for these records to be released to be used in my care and treatment and if needed to secure payment from my insurance carrier. This authorization is valid for six months unless revoked in writing to the HIM Department before that time. Any re-disclosure of information obtained by this authorization is prohibited except with the written consent of the patient. Treatment, payment, enrollment, or eligibility for benefits may not be conditioned on whether the patient signed this form. Any disclosure of information carries with it the potential for unauthorized redisclosure, and the information may not be protected by federal law. UPDATED: November 6, 2019.
